Dear Mr Seedat

Firstly, I apologise for the delay in responding to you.

Thank you for your email of 24 November 2016 and attached Action Plan detailing how you intend to implement the recommendations made by Ofsted inspection of your school on 24 April 2016.

I confirm that your Action Plan is acceptable.

Ofsted will inspect your school again in due course according to their regular cycle of inspections. In the meantime, I would like to thank you for your help in this matter.

Yours sincerely

L. Shri
